

Water Resources Council

SEPTEMBER 3, 2015

Meeting Dates for FY2016

- ▶ September 3, 2015
- ▶ January 21, 2016
- ▶ April 7, 2016
- ▶ June 16, 2016
- ▶ Dates reflect quarterly meeting schedule
- ▶ All meetings will be held on a Thursday at 10:30am in the William J. Pitstick Executive Board Room

State of the Water Survey and Report

- ▶ **Goal:** To provide TCEQ and regional partners with a comprehensive annual “State of the Water” report including information on addressing water supply issues and impairments, and identifying potential strategies to address these concerns.
- ▶ The report will be generated from a questionnaire to be developed and distributed to regional water suppliers and distributors and municipal separate storm sewer system (MS4) entities.
- ▶ The report will be included as an appendix to the WQMP Update.

Water Quality Workshop Topics

- ▶ New contract provides for a minimum of 2 training sessions per year
- ▶ Provide feedback on the topics handout
 - ▶ Write in additional topics that are not listed
- ▶ Look for follow up email soon with a request to vote on priority topics
