Date	Image	Caption
10/1		<p style="text-align: center;">Meet our October Pup of the Month: Maui!</p> <p style="text-align: center;">When not on the lookout for those who don't pick up the poo, Maui loves running outside and playing with her pink Kong toy.</p> <p style="text-align: center;">Remember to always scoop the poop to protect our local water quality!</p> <p style="text-align: center;">Learn more at dfwstormwater.com/petwaste.</p> <p style="text-align: center;">#WatershedProtector #DooTheRightThing #PupOfTheMonth #October #Fall</p>
10/1		<p style="text-align: center;">When owners leave their dog's pet waste on the ground, it can end up in our waterways! This puts the community at risk for trace bacteria to end up in our drinking water supplies. Learn why it is important to always pick up after your pet at dfwstormwater.com/petwaste.</p> <p style="text-align: center;">Meet Protector Gabby! She one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest.</p> <p style="text-align: center;">#WatershedProtector #DooTheRightThing #Dashound #NationalBlackDogDay</p>
10/3		<p style="text-align: center;">This week is National Walk Your Dog Week!</p> <p style="text-align: center;">Not only is pet waste smelly, it can also put people and pets at a health risk and cause water quality issues! Never leave pet waste behind on walks! Always carry something to pick up the doo, such as doggie bags, plastic grocery bags or newspaper sleeves. Take the pledge to pick up the poo at dfwstormwater.com/petwaste.</p> <p style="text-align: center;">Meet Protector Maui! She is our Pup of the Month for October. Maui is one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest.</p> <p style="text-align: center;">#WatershedProtector #DooTheRightThing #NationalWalkYourDogWeek</p>

10/18

It's always important to remember to pick up the poo! Make sure you always have enough plastic doggie bags to pick up any messes on walks. When you pick up the poo, you are protecting our local waters for aquatic life and recreational use! Learn how left behind feces can harm our waters at DfwStormwater.com/PetWaste.

Meet Defender Dean! He is one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest!

10/20

Think leaving behind dog waste on a walk is not a big deal?
FALSE.

Leaving dog waste behind can spread disease to other dogs and wildlife. Bacteria and parasites can multiply in poo left behind! "Doo" your part and always pick up the poo! Learn more at dfwstormwater.com/petwaste.

Meet Defender Abby! She is one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest!

Though he is small and old, he has a helper to push him around to help him see who is not picking up the poop! Leaving behind pet waste puts yourself and others at risk for contracting diseases and polluting your local watersheds. “Doo” the right thing and pick it up! Take the pledge to pick up the poo at dfwstormwater.com/petwaste.

Meet Benz! He is one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest!

10/27

When you choose to not scoop the poop, whether on a walk or in your yard, you are polluting our waterways which lead to our streams, rivers and lakes. You are also putting yourself, your community, and other dogs at risk for contracting diseases or parasites. “Doo” the right thing and pick up the poop!

To learn more about why it is important to pick up after your dog, go to dfwstormwater.com/petwaste.

Meet Defender Gotti! He is one of our Watershed Protectors from our recent Doo the Right Thing Photo Contest!
